MOTION TO UNSEAL

The United States moves this Court to issue an order unsealing the Search Warrant Affidavits so that they may be provided to the defendant in discovery of this matter and become part of the public record. In support of its position, the United States submits the following:

1. On September 19, 2019, the Court signed the above-captioned Search Warrants and Search Warrant Applications, and because they related to an ongoing investigation, ordered that they be placed under seal.

2. At this time, the target has been notified of the investigation and has agreed to plead guilty to an Information. The Government requests that the Court issue an order unsealing the Search Warrants and Applications and Affidavits so that they may be provided to the defendant in discovery and so that they may become part of the public record.

Respectfully submitted,

DONALD Q. COCHRAN
United States Attorney for the
Middle District of Tennessee
